

Dothan To Have a Cold Storage Plant

Dothan Ice Company Prepares Storage Room to take Care of the Farmers' Meat in Hot Weather.

The Dothan Ice Company has built a storage room at their plant for the exclusive use of people who have meat to save. The room is cooled by brine pipes from the factory, and is equipped for storing meats of all kinds.

The following method is recommended for curing meat:

As soon as the butchered animal is cooled down, cut up and trimmed in perfect shape, leaving fine bones on bone, and blade bones on shoulders, salt in usual manner, using not more than 10 pounds of salt, 2 pounds of brown sugar, 2 ounces of salt tares, and 1 ounce of red pepper, to each 100 pounds of meat. It should reach the cold storage not later than three days after so prepared if any additional salt is needed after reaching us we will supply it. Leave in cold storage up to 60 days, according to size of the meat.

The Dothan Ice Company will make a special charge for storage of any one cent per pound for the month.

The farmer of this section need not wait on the weather. They can kill their meat when they find time to town and cure it.

The man with the early Spring groundhogs, can run in his dogs and kill them late in the fall, before they begin to run on their corn.

GRIM AND BLOODY WAR NEW YORK MAN LEAVES Suits May Aggregate \$150,000 In School Lands

PARTY LEADERS SAY REVOLUTION IS IN THE AIR.

Washington, D. C., Jan 4.—For the first time Col. Theodore Roosevelt's position was made known to day by personal friends in legislative life in this city.

They declared that Col. Roosevelt is in the fight for the nomination and admitted that they personally waited on Colonel Roosevelt several months ago for the purpose of ascertaining his wishes in the matter.

They say that they then declared to Roosevelt that in their opinion Taft could not be re-elected if nominated. They went over the ground with Roosevelt, remarking that the president's reciprocity measure had been very injurious to the Republican party, especially to the farmers in the states of Maine and California on the Canadian border.

These friends of Col. Roosevelt said further today that they left the ex-president with a assurance that they could go forward in the work of organization in his belief that he would not interfere with their work but that they did not leave him any positive assurance of his own conduct that he would not run. On this subject, one of the ex-president's favorite expression

is, "It may be well that the Roosevelt movement has not been haphazard without direction, with one head or tail but from the start has had formative and determined purpose and moreover that the ex-president has been fully familiar with what has been going on and that he acquiesced in it and sanctioned it."

It is suspected today that President Taft and several of his advisers have been well aware of all, of the underlying features of this Roosevelt movement and that knowledge of it, together with recent events induced the president to make his declaration for publication this afternoon.

Representative Calder, practically the head of the Kings County Republican organization, returned from New York today and was in constant conversation with a number of his Republican congressional brethren in the New York delegation.

Representative Calder has no illusion in telling his New York brethren that Colonel Roosevelt is a candidate for the Republic in nomination for president and added that certain business interests did not believe that President Taft could be re-elected.

341 TONT WONT ATTACK ROOSEVELT

Washington, Jan 4.—Word was sent broadcast today in support of President Taft that under no circumstances would the president countenance attacks on Col. Roosevelt, no matter had the ultimate intention of Mr. Roosevelt in regard to the Repudiation nomination, may be.

It was said today that the president had expressed himself as being at a loss to account for an attack

IS OUTLOOK IN CHINA WITH A LARGE FORTUNE

CHINA

BOTH THE REVOLUTIONISTS AND IMPERIALISTS ARE PREPARED FOR STRUGGLE.

Peking, Jan 5.—A grim and bloody war of uncertain duration now seems to be the only outlook for the Chinese people and the common class of the people of the great nation are most gloomy and down cast over the prospects which are to be observed today.

Both the imperialists and revolutionists are preparing to continue to the end the great struggle which has raged around this nation for the past several months.

The Manchus hold the north and the revolutionists are in command of the southern situation. The leaders of both sides are making desperate efforts to recruit their numbers. The imperialists are also making desperate efforts in an attempt to win the Chinese over to their side.

It costs a fortune for war and soldiers are costing a great deal of the blood and life of the people to recruit them.

It is not known what will

happen to the Chinese government in the event of the revolutionists winning.

China has notified all representa-

tives of foreign governments that he

intends to stand by the throne and

will fight to the last to save the monarchy from extinction.

President Holds Reception

Shanghai, Jan 3.—President Sun Yat Sen held a public reception here last night the first to be held since he was chosen as the president of the republic of China.

He is one of the most remarkable

receptions ever held in China.

The rich and poor, the high and the low were invited to be present at the af-

fair and they took advantage of the invitation and were there in large numbers.

The people who were at the recep-

tion seemed amazed at the democ-

racy of the occasion, all being treat-

ed on the same footing. Heretofore

the humbler people of the country

have been much looked down upon

and the apparent change to a recog-

nition of all alike was very pleasing

to all who attended the big recep-

tion in honor of the president.
